NAPLES IS CAPTURED BY YANKS

Meandering Along the Main Stem By WASH FAYETTE

With the heavy demand for fruit of all kinds, I can see the rush there is going to be at the Zimmerman orchard on the Prairie Road, a few miles north of this city, where the crop, about one-fifth normal, is now being gathered and sold on the premises.

Elmer informs me that the orchard is producing a limited amount of Grimes Golden, Jonathans, Rome Beauty and Stammers, and the demand for these home-grown apples will probably be heavy from the very start.

The Zimmerman orchard is one of the best known in this community, and the largest commercial orchard within a few miles of this city.

This is for you boys and girls who thoughtlessly run across streets where there are no intersections, and fail to look both ways while you are crossing.

Just a little carelessness on your part may result in a broken arm, broken leg, broken back or death.

First of all, do not cross streets where there are no intersections. And look in both directions to make certain when you do start across, you will have plenty of time to reach the other side in safety.

The reason I am telling you this is because early Tuesday afternoon two little girls started to run across the street without looking in either direction. I was driving along the street and by applying my brakes suddenly and stopping within a few feet, prevented striking both little girls, and when I honked the horn the pair realized for the first time that they had run directly in front of the approaching car.

As I drove onward, a boy, somewhat older than the girls, who had seen what happened, said, "Thank you, mister!" He realized what would have happened had a car been approaching that was not under control.

All of you youngsters, do be careful while crossing streets.

And you auto drivers, be more than careful when children are along the streets and may attempt to cross at any time or place.

According to William Jefferson of Bloomington, the present pear crop failure is the worst in 40 years.

Will says that he had pears on a tree that has always borne a good crop, but nearly all of them have fallen off and his crop will be almost a complete failure, as it is practically everywhere in the community.

One local resident has gathered from eight to 25 bushels of pears off of one tree every year, but this year a few scattered pears constitute the entire crop.

Not only was the pear crop almost a complete failure over a wide area, but the yield of some other fruits was very light.

This is going to be one year when a lot of us who love the beauties of the hills in their wonderful autumnal garb are going to miss trips into the hill regions, due to tire and gasoline rationing.

Right now, I am told by friends from the hill regions, the forests are taking on their colors, and during the next two or three weeks, possibly longer, the forested hills will present a beautiful picture.

Driving through the multi-colored hills in the autumn is one of the most restful and at the same time, inspiring journeys one can make, for at each turn new beauties unfold in the ever changing panorama of hills and valleys.

But next fall I am expecting things to be far enough back toward normal that we will have sufficient gas and tires to journey into the hills when they don their gorgeous robes. Until then the memories of bygone years must suffice.

RATION TOKENS NEXT
WASHINGTON, Oct. 1.—(AP)—The Office of Price Administration (OPA) today outlined its plans for use of the ration tokens which will be put in circulation early in 1944.

B AND C GASOLINE RATIONS CUT AND MILK DELIVERY RESTRICTED IN MOVE TO HEAD OFF SHORTAGES

Congress, Meanwhile, Continues Argument Over Father Draft As It Gets Under Way and Takes Up Other Questions Related to War

WASHINGTON, Oct. 1.—(AP)—The government moved to head off threatened new shortages of two all-important home front commodities by revising gasoline rations and restricting milk deliveries over wide areas.

An Office of Price Administration (OPA) order effective last midnight, cut the weekly gasoline ration of "B" and "C" book holders east of the Rockies to two gallons. But the regulation was good news to "A" book holders in the east whose weekly allotments were raised from 1½ to 2 gallons. There was no change in the three-gallon "A" book ration in the midwest and southwest.

JAP EVACUATING ANOTHER ISLAND

Barges Loaded With Fleeing Troops Sunk, However

By The Associated Press

Japanese evacuation of Kolombangara Island in the central Solomons where a 10,000-man garrison has been under violent air and artillery assault, was believed in progress today with the enemy withdrawing to the northern end of the 600-mile-long archipelago.

Dispatches from Admiral William F. Halsey's South Pacific headquarters said heavy Japanese barge traffic under cover of moonless nights indicated strongly that the enemy was trying to escape from a precarious if not hopeless situation.

Kolombangara, with its prize air base at Vila, had already been out-flanked by American seizure of New Georgia and Vella Lavella islands on both sides.

American warplanes, striking to thwart the attempted evacuation, sank four Japanese barges loaded with troops and supplies, while 200 U. S. aircraft pounded Vila air base on Kolombangara and Kahili on Bougainville.

On the New Guinea front, dispatches said Australian jungle fighters bloodily ejected the Japanese from all high ground on the immediate outskirts of Finschhafen and advanced within half a mile of the town's harbor.

CALIFORNIA WAITRESS TO WED NOTED RUNNER

OAKLAND, Calif., Oct. 1.—(AP)—Dorothy Nortier, 19, of nearby Piedmont, a worker in her father's restaurant, is engaged to marry Gundar Haegg, her mother, Mrs. Michael Nortier, said last night.

She said Dorothy met Haegg at a social function at which the girl played the accordion. Haegg, noted distance runner, is now in Sweden.

War's Havoc Rivals Vesuvius At Pompei; Trembling People Welcome Allied Troops

By RELMAN MORIN

WITH THE FIFTH ARMY IN ITALY, Sept. 29.—(Delayed) —(AP)—Disaster has returned to the scene of ancient tragedy, piling new wreckage on the storied ruins of Pompei.

The Germans, fighting a desperate rearguard action, fell back along the road which passes through both the old city and its modern namesake. British artillery harried the Germans along the whole line, which is barely 15 miles from Naples, and from time to time Nazi suicide squads attempting to delay the British advance returned the fire.

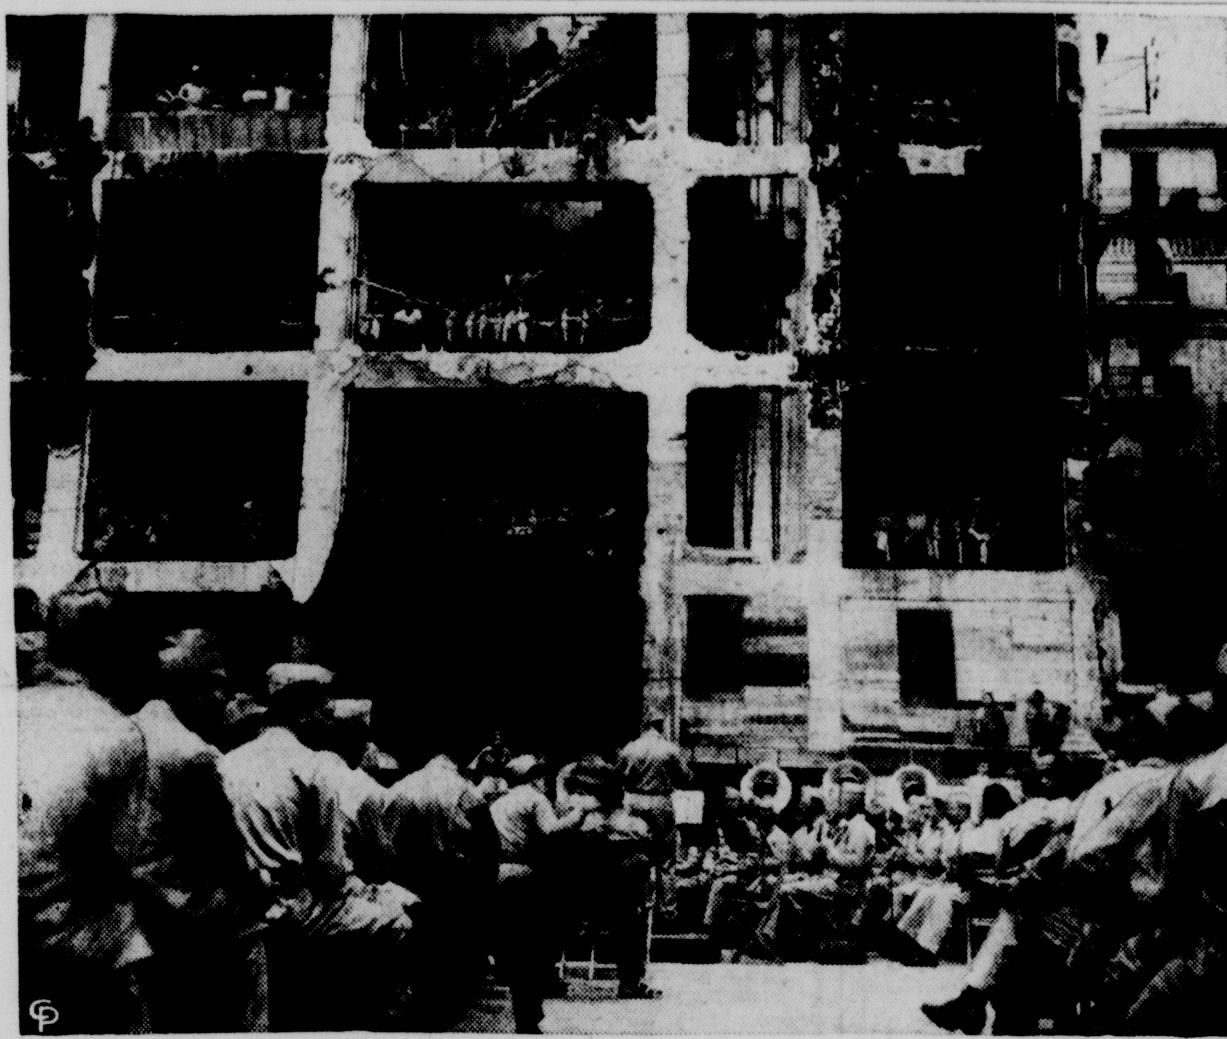

The roar of heavy guns echoed against the slopes of Vesuvius and the ground trembled in what must have been a close approximation to the catastrophe that overtook Pompei nearly 2,000 years ago.

The Germans had been using the ancient amphitheater as a campground and the marks of their tanks and trucks were plainly visible all around the ruins. The amphitheater itself was damaged by bombs and shells. A number of other buildings and temples also were hit.

Craters pit the ground around the columns where the law-courts once stood, while here and there flagstones have been tossed about like children's toys.

Sweeping Successes By Russia Speed Up Three-Power Confab

By JOHN F. CHESTER

LONDON, Oct. 1.—(AP)—Russia's brilliantly successful offensive on the eastern front—with all its immense implications for the whole course and duration of the war—has led to a definite decision for early and intimate American-British-Soviet military staff discussions, even in advance of the forthcoming three-power diplomatic meeting.

This was learned today from a non-British source.

The rush of events on the fighting fronts—at a pace that had not been foreseen—has now made it plain that a meeting here will have a military flavor more marked than had appeared likely only a few weeks ago.

It is now very probable that Russian staff officers will participate in it; in fact, that military men of all three countries will take part not only in a general conference along with their diplomatic chiefs, but have their own sessions among themselves.

The London press today printed reports that Gen. George C. Marshall, himself, the prospective Allied commander-in-chief for the mortal blows being prepared against the enemy, probably would come here with Secretary of State Cordell Hull in the likely event that this is the scene of the big three meeting.

Battle for Kiev Rages
The battle of Kiev, expected here to be one of the decisive struggles of the war, raged unabated today with both Russians and Germans throwing tremendous forces of artillery, infantry and air power into the fight to achieve mastery of the Dnieper line.

The Germans were entrenched in the ancient city-fortress high on the western cliffs of the Dnieper River, while the pick of the Russian Ukrainian armies faced them across the 100-yard

water barrier that separates Kiev from its eastern bank suburbs, already in Soviet hands.

In the battle may rest the fate of the German armies in the great Dnieper bend south of Kiev and in the Crimea, as well as control of the Black Sea.

On the White Russian front to the north, a Russian communique said, Red army troops stormed into Krichev, strategic rail junction 57 miles east of the Dnieper on the road to Mogilev and Minsk.

Premier Joseph Stalin hailed the fall of Krichev in another order of the day. The Russian communique said 2,200 Germans were killed, numerous prisoners taken, and 170 towns captured in the drives on White Russia. Gains of from six to seven miles were recorded.

Moscow dispatches said that capture of heavily-fortified Gomel, another key enemy stronghold, and last city in German hands on the eastern side of the Dnieper, was expected hourly.

JURY CAN'T AGREE IN BRIBERY TRIAL

Future Remains Uncertain for T. A. Billingsley

GREENVILLE, Oct. 1.—(AP)—A deadlocked jury was dismissed early today in the trial of T. A. Billingsley, attorney and member of the state racing commission who is charged with offering a bribe to a former probate judge.

The jury deliberated 10 hours before reporting to Judge R. L. Cameron that it was unable to agree on a verdict. Prosecutor Richard E. Hole said he was not ready to announce whether Billingsley would be retried.

Former Probate Judge Harry E. Miles of Darke County testified this week that he and Billingsley agreed verbally that Miles would allow \$10,900 attorney fees in the V. S. Marker estate and Miles would receive \$1,500. Miles at his own trial last February denied any such agreement but he was convicted of soliciting a bribe and was removed from office. He has appealed.

FREEDOM OF AIR ANOTHER WAR AIM

President Gives Views on Post-war Developments

WASHINGTON, Oct. 1.—(AP)—President Roosevelt said today the position of aviation in the post-war world had been under study by the government for months and that both he and Prime Minister Churchill of Britain were in agreement there should be freedom of the air.

Some conversations also have taken place on aviation among other government officials and other Allied officials, the chief executive told his press-radio conference.

Mr. Roosevelt expressed the view that what he termed internal aviation ought to be owned by the individual countries and added that commercial and passenger routes in general should be in private hands. There might be some exceptions, he said, in instances where it is desirable to extend a line to some area into which a private concern could not go profitably. Then, he suggested, a government line or perhaps a United Nations line might be operated with a loss.

PROMINENT LAWYER HELD FOR MURDER

Accused of Electrocuting Mentally Abnormal Son

PITTSBURGH, Mass., Oct. 1.—(AP)—The case of John Franklin Noxon, Jr., 46-year-old corporation lawyer, charged with murder in the electrocution of his six-months old son, Lawrence, was continued today in district court until October 28, and the defendant was returned to Berkshire County jail.

The baby, described by Police Chief John L. Sullivan as abnormal, met death a week ago Wednesday in the library of the spacious Noxon home. Sullivan said that Noxon claimed he was fixing a radio at the time.

Noxon, Sullivan said, related that he had taken the baby from a chair and placed him on the floor on a metal tray because his diapers were wet. The father left the room to obtain some tools and on his return found the baby dead, the story continued.

NAZIS HAD FLED PILLAGED CITY DURING ATTACK

Allied Warplanes Smash Retreating Germans; Opposition Slight

By NOLAND NORGAAARD

ALLIED HEADQUARTERS IN NORTH AFRICA, Oct. 1.—(AP)—Lt. Gen. Mark W. Clark's American Fifth Army today captured Naples, Italy's third greatest city, and threw the German defenders back upon the defenses of Rome, which is 120 airline miles to the north.

The American and British forces which clattered into Naples found the city of 925,000 empty of Germans, who for a week had engaged in an orgy of destruction and terrorism designed to burn and tear down every installation that would be of benefit to Allied forces and to hamper Italian cooperation with the liberating armies.

ALLIED OBJECTIVE

WASHINGTON, Oct. 1.—(AP)—President Roosevelt said today the objective of Allied forces in Italy was to free Rome, the Vatican and the Pope, much in the manner of a crusade, while at the same time avoiding all possible destruction.

The special Allied headquarters communique, announcing the fall of Naples, did not give the time at which Allied troops seized the greatest city and port they have won on the continent of Europe.

"Troops of the Fifth Army have entered Naples and the city is reported clear of Germans," said the two-line statement.

The entry into Naples—the greatest victory yet won by the Allies in their 1943 offensive to smash Hitler's European fortress—was accomplished by smashing along the rim of Vesuvius against grim resistance of German rearguards who paid a high price to gain a few extra hours for their commanders to make arrangements for a line of defense farther north.

Although German convoys were reported streaming back toward Rome, the Volturno River, some 20 miles north of Naples, still was considered the most likely line of the next major fighting.

But even before the Volturno is reached, a military spokesman pointed out, the Fifth Army is likely to run into the same kind of difficulty it encountered north of Salerno when strongly defended mountain passes had to be cleared foot by foot.

The possession of Naples was a great prize for the Allies, however, who may now pour in through the port a great army with its supplies for the task opening ahead.

(The United Nations radio at Algiers, in a broadcast recorded by OWI, said naval experts at Allied headquarters estimated the harbor of Naples "in its most important respects can be made serviceable in eight days from now.")

Capture of Torre Annunziata, nine miles south of Naples' city limits, was announced at Allied headquarters today, but field dispatches said the town was taken late Wednesday.

American troops also drove forward 10 miles and captured Avellino, 30 miles due east of Naples, in an encircling maneuver which threatened the rearward communications of enemy forces still battling in the Naples area.

"Our troops continued to move forward towards Naples in difficult country where enemy demolitions are being used to the fullest extent," said Gen. Dwight D. Eisenhower's communique.

Again, however, the official announcement lapsed into almost virtual silence concerning the operations of Gen. Sir Bernard L. Montgomery's Eighth Army.

COUNTY STILL BEHIND WITH WAR BOND SALE

\$227,271 Remain To Be Sold If Quota Is Met Saturday

War Bond sales today in Fayette County total \$790,287.96. This figure means that \$227,271.04 must be purchased today and Saturday in order to meet the goal of \$1,018,000 which was set for Fayette County. The county today has slipped back until it is 17th place among the 22 counties of the Third Ohio Area.

By purchasing enough War Bonds to meet the quota, the county won't only retain its record of meeting every War Bond quota yet set, but will also contribute towards putting Ohio at the top of the list among the states in percentage of sales.

Today, Ohio purchases had totalled \$839,362,600, which is \$141,362,600 over the top. Only Maryland and West Virginia exceed Ohio in percentage of sales.

But the fact that Ohio has exceeded her quota does not mean that Fayette County can relax and rest on other people's laurels.

Subscription books will close Saturday for two and one-half percent treasury bonds of 1964-69 two percent treasury bonds of 1951-53 and seven-eighths percent certificates of indebtedness, series E, 1944.

The sale of series E, F and G savings bonds will continue, however, although the time set for the end of the Third War Loan drive is Saturday.

HAVOC WROUGHT BY WAR AT POMPEI RIVALS THAT OF VOLCANO VESUVIUS

(Continued from Page One)

Like so many other towns along the bloody road to Naples, Torre Annunziato is smashed to bits. It is nothing but a heap of stones, broken roofs, sagging walls and tangled skeins of electric wire.

Some of the people leave these towns that are caught in the path of war, but hundreds—even thousands—cling to their homes, shivering behind locked doors through the worst shelling and street fighting.

As the fighting passes they begin to emerge. They almost all are hysterical, either from joy or grief or prolonged fear.

Some know where German snipers are hidden. They procure rifles and want to go with the troops to kill the Germans themselves.

Some appear with bottles of wine, fruit and flowers and literally force them on the Allied troops.

They cavort like children, and then suddenly a sniper's rifle cracks and they disappear.

The deadliest work for the Allied troops frequently begins when they enter a seemingly deserted town. The Germans aren't making a concerted stand in these towns but they are not abandoning them without any fight.

5,400 LICENSES ISSUED HERE TO AUTO DRIVERS

Last Minute Rush Missing As Deadline Reached Thursday Night

Thursday midnight was the deadline for obtaining drivers' and chauffeurs' licenses for the coming year, without being liable to arrest and fine for failure to comply with the law.

The last minute rush was lacking, due to the fact that applicants had heeded the warning to obtain their permits before the final day.

A total of approximately 5,400 drivers' licenses and over 300 chauffeurs' licenses were issued. Additional clerks had been employed at the Fayette County Auto Club offices where the licenses were issued, and applicants were furnished with licenses as promptly as possible.

Miss Nancy Barney, Maple Grove Church candidate, finished with 83,500 votes and Mrs. Robert McDonald, sponsored by the Alpha Circle of Child Conservation League is next with 59,000 votes. Miss Betty Lucas, candidate for Beta Chapter of Gradale Sorority is next with 35,500 votes.

Miss Alma Jane Norris, sponsored by the Mother's Circle, finished with 30,000 votes and Miss Joy Kellenberger, candidate for Wayne Township schools finishes with 11,500 votes.

NAPLES IS CAPTURED BY YANKS - GERMANS FLED DURING BATTLE

driving up along the Adriatic. The communique said this "advance continues according to plan."

Avellino, a town of 16,000, focal point of six roads coming in from all points of the compass, stands athwart the trunk route between captured Foggia and Naples.

The communique said Allied medium bombers attacked the area of Capua, 19 miles north of Naples along the Volturno River, and Benevento, 31 miles north-east.

Medium bombers spread explosives over bridges and roads around Piano, 4 miles northwest of Naples, Amorisi, to the north, and Castelvenere, and fighter bombers attacked a bridge at Ausonia. Long-range fighters swept up to Corsica to give German remnants at Bastia another pasting.

Railroad and road junctions at Formia, 43 miles northwest of Naples, were attacked again last

night by night bombers, the air command said.

The Northwest African air force lost one plane in the day and night operations.

THE WAR TODAY

By DEWITT MACKENZIE

Tigerish Revenge Is Faced

By Hitler and Germany When

Conquered Peoples Liberated

As Herr Hitler struggles to halt the retreat of his armies on the eastern front, one wonders whether he ever has tigerish nightmares of the awful retribution which might be visited on Germans by the millions of conquered peoples if there were a Nazi military debacle.

We have a cogent reminder of this possibility—almost a certainty for some parts of Europe—in the word from Naples that the Germans, seeking revenge for the Italian surrender to the Allies, have turned that fine city into a horror. Civilians, including women and children, are reported to have been machinegunned to death in the streets, and much of the port has been wantonly destroyed.

That's mild, though, as compared with the wholesale massacres and other atrocities carried out in the many occupied countries.

In Germany itself there are some 12,000,000 Italians, Frenchmen, Belgians, Danes, Poles and other peoples who have been dragged there and put to work as slaves.

Yes, the Fuehrer had better maintain his line! If we are to believe German broadcasts, that's what the all highest is determined to do, for he is said to have established headquarters on the Russian front and decreed that his generals shall not yield "another foot of ground."

The climactic struggle which is going on along most of the thousand mile front, from Leningrad to the Sea of Azov, should give us an indication soon whether the Germans will be able to maintain themselves along the natural line of the Dnieper. Their alternative will be to resume their highly dangerous withdrawal into Poland.

A new and grave danger has been created for the Germans by the Red offensive in the Smolensk sector. The ostensible objective of this fresh operation is to drive across into the Baltic states, thus cutting off the Hitlerites in the whole northern triangle, which has one side on the Baltic Sea and its apex at Leningrad.

As a matter of fact, unless the Germans are weaker than they appear, one would expect the war of extreme movement to pause for a bit of a breather. It's one of the wonders of the world conflict that the Russians should have been able to maintain their offensive so long as they have. Their present drive started July 12, and since then they have recaptured close to 100,000 square miles of territory. Their skill and endurance have been astounding. They long ago must have outraced their chief communications, and for some time they have been struggling through the terrible lakes of mud produced by the fall rains.

Boston Common, the heart of Boston was once a common crow pasture.

New Martinsburg WSCS Meets at Bethards Home

The New Martinsburg WSCS met Thursday afternoon at the home of Mrs. Eldon Bethards and the assisting hostesses were Mr. Elba Caron, Mrs. Edward Lee Carson and Mrs. Lester Ellis.

Eighteen members and two guests were present, Mrs. Edward McClure and Mrs. Charles Hoppes.

The spiritual life service was conducted by Mrs. Forest Moon and the roll call was answered by school day memories. The president, Mrs. Robert Ritter, conducted the business meeting during which plans were made for a chicken supper to be held the latter part of the month.

Following the business session the program was enjoyed. Bible questions by Mrs. Eliza Cockerill and a vocal duet was beautifully rendered by Mrs. Bethards. A reading was capably given by Mrs. Harry McForest Moon and Mrs. Eldon Clure, followed by several contests conducted by Mrs. Pearl Wilson and Mrs. Nathaniel Tway.

Lovely Party Held At Country Club Thursday Evening

Thursday evening, one of the loveliest and most enjoyable of the regularly scheduled parties at the Washington Country Club was held, and the hosts and hostesses committee was composed of Mr. and Mrs. J. J. Kelly, Mr. and Mrs. Norman McLean, Mr. and Mrs. Frank Jackson and Mr. and Mrs. Charles Reinke.

Out of town guests included were Mr. and Mrs. Ned Poage of Ashland, Ky.

For the serving of the delightful dinner, around sixty guests were seated at four long tables, perfectly appointed and centered with lovely crystal watergarden arrangements of dahlias, flanked by tall white tapers in crystal holders.

The spacious club lounge was profusely decorated with numerous baskets and vases of fall flowers, all adding a note of gracious beauty to the occasion.

Following the most enjoyable dinner hour, the guests spent the remainder of the evening playing bridge and hearts, with high score in bridge going to Mrs. Ed Suntheimer and second to Mrs. Walter O'Brien. Those having the best scores in the hearts game were Miss Edith Gardner and Mr. Hoy Simons.

Lion Cubs Lose To Clarksburg

The Clarksburg High School football team, under Coach C. R. Topping, trounced the Washington C. H. Junior High team, the Blue Lion Cubs, coached by Clyde Cramer, science teacher, who was at one time coach of the WHS varsity team.

The score of 32 to 0 was not too bad considering that the Cubs have not had previous football training and the small size of the players compared to the Clarksburg boys, some of whom were six feet tall and had an estimated average weight of at least 155 pounds each.

There was not much action during the first quarter, by either team but in the second quarter

two touchdowns were scored and one extra point made good. In this quarter an attempted pass from Adams of the Cubs was intercepted by Clarksburg on the

LIONS FACE HURRICANE IN FIRST SCO GAME OF SEASON FRIDAY NIGHT

Faced with the considerable task of defending last year's football championship title against the strongest team in the South Central League at this early stage of the season, the WHS Blue Lions polished up a few plays under the lights Thursday night in preparation for Friday night's battle with the Wilmington Hurricane. The game, a Dad's Day feature, will start at 8 P. M. (slow time) and will be played at Gardner Park.

Latest advance information provided the following possible starting lineup for both teams:

Pos.	Washington	Wilmington
LE	Boylan	Daniels
LT	Swartz	Curtis
LG	Kellough	Ertel
C	Kelly	Breuleux
RG	W. Rudduck	Gano
RT	M. Leeth	Stuckey
RE	Whitmore	Garland
QB	Mitchell	Hiatt
LH	Rudduck	Baugh
RH	O'Brien	Hamilton
FB	Curry	Scot

The officials will be: Referee, Dave Carter; umpire, Lloyd Cooper; head linesman, Dick Manuel.

The Blue Lion lineup places Curry in the backfield and an entirely new right side of the line with W. Rudduck, M. Leeth and Whitmore manning the right flank.

W. Rudduck playing a tackle spot made himself conspicuous on several occasions against the Chillicothe Cavaliers last week by making sudden and unexpected appearances in back of the visitors' lineup scrimmage. It will be his first experience in a starting lineup.

Chandler Shows Top Form For Yanks with Series Near

By TED MEIER
(By the Associated Press)

Spud Chandler, 20-game winner for the New York Yankees, is in top form for his expected three starting assignments against the St. Louis Cardinals in the World Series—the first, fourth and seventh game, if necessary.

The ace right hander twirled three hitless innings against the Chicago White Sox yesterday in his final tuneup for the fall classic that opens Tuesday. His brief appearance lowered his earned run average for the season to 1.67, the best in the American League since 1919.

The fact that the White Sox landed on Bill Zuber for an 8 to 3 victory after Chandler's departure was important only to the Sox who are putting on a great drive to oust Cleveland from third place.

When the Cubs received Clarksburg's kickoff at the beginning of the third quarter, the ball was fumbled and one of the "Berger" huskies recovered the ball for his team, and on the next play Clarksburg lost the ball and the Cubs recovered. They lost ground and the punt only carried to the 15 yard line. From there, the Clarksburgers went over for their third touchdown.

BABY BUCKS TO GET ACE IN LINEUP

By FRITZ HOWELL
COLUMBUS, Oct. 1—(P)—

Those youthful Ohio State Bucks, on the rebound after last week's 28-13 setback at the hands of Iowa's scintillating Seahawks, meet Missouri Saturday before a crowd expected to reach 35,000.

The baby Bucks, back in their own class, hope to hoist their season's record to "won one, lost one," and tradition gives 'em a chance to do it. In two previous encounters with the "show me" boys, Ohio has been the victor.

In experience the two teams will be almost equal, several starters on the invading eleven getting their first crack at collegiate ball. Six of Ohio's starters are freshmen, Coach Paul E. Brown sticking to the lineup which was defeated but not out-gamed by the Pre-flighters.

All week the Bucks have been brushing up on their pass defense, the leak through which the pro-packed Pre-flighters trickled to three touchdowns.

The "ouchy" knee suffered by Dean Sensenbaurer, freshman flash from Uhrichville, has mended and Brown expects him to do some fancy ball-toting Saturday.

The No. 1 threat for Missouri is Don (Bull) Reece, 230-pound fullback, reputed to be a battering Ram and a nifty passer.

Other games on tomorrow's Buckeye State schedule send Oberlin to Case, Wooster to Otterbein, Central Michigan to Bowling Green and Bethany of West Virginia to Ohio Wesleyan.

GRAIN MARKET NEWS SUMMARY

CHICAGO, Oct. 1.—(AP)—Buyers by mills and distillers interests reversed an early lower trend in wheat today, the market coming back to score minor gains over yesterday's close at times. Trading was moderately active. The strength in wheat was reflected in oats and rye, which rallied from opening lows.

Satisfactory crop reports prevented any sharp upturn. A report from Iowa said samples of new corn were the best ever seen and that many fields will produce in excess of 100 bushels an acre. The Modern Miller, trade publication, said fields of spring wheat in the northwest, now being threshed, were fully up to expectations.

At the close wheat was 1/4-1/2 higher, December \$1.51 1/2, May \$1.52, oats were 1/4 lower to 1/2 higher, December 77, and rye was up 1/2, December \$1.09 1/2.

By Hugh Fullerton, Jr.

By HUGH FULLERTON, JR.
NEW YORK, Oct. 1.—(AP)—Preparations are under way to hold the 19th East-West football game at San Francisco New Year's day, but the trick will be to find 44 players who don't have to be back in the Campus Navy in 48 hours. . . . Strictly unofficial watchword of the Rangers Hockey Club this year is: "We can't be any worse than the New York Giants."

Today's Guest Star
Carter (Scoop) Latimer, Greenville, S. C., News: "Georgia Tech's football team, manned from stem to stern by the navy, won't be upset this season unless Notre Dame rocks the boat. But leave it to Coach Bill Alexander to have some pills on hand for seasickness."

One-Minute Sports Page

In case you're wondering how the scalpers manage to get World Series tickets, Jackie Farrell reports that the only pasteborders mailed before yesterday went to out-of-town applicants, so some must have bounced back. . . . Harry Mahnen, who was "promoted" from the 150-pound squad to coach the Princeton Varsity, reports that two backs who couldn't make his second team last year now are second-stringers on the big team. . . . The Detroit Lions claim to be the best-scouted team in the National Football League. They opened the season a week ahead of the rest and every team in the circuit had a man watching them.

Reds Beaten 3-2 in Tenth By Dodgers

CINCINNATI, Oct. 1.—(P)—Bucky Walters, the Cincinnati Reds' ace hard lucker of 1943, is out after his 10th victory of the year tonight as the Cincinnati Reds attempt to even up their final series with the Brooklyn Dodgers.

Ed Head is the likely pitcher for the Dodgers, who still could be done out of third money in the National League if the Pittsburgh Pirates got tough enough.

The Dodgers, however, pulled closer to clinching third place yesterday by breaking the Reds' ten-game winning streak behind Kirby Higbe's steady pitching, 3 to 2.

The Dodgers scored twice in the first inning on four singles and made the winning run in the third when Dixie Walker singled and Billy Herman tripled.

Singles by Frank McCormick, Steve Mesner and Eddie Miller made a Cincinnati run in the fourth and a walk, Estel Crabtree's double, and a fly scored the second in the fifth.

CHURCHES PLAN FOR COMMUNION NEXT SUNDAY

World-wide Observance of Sacred Rites Will Feature Services

Sunday will mark the fourth year for the observance of World Wide Communion.

One of the World Wide Communion objectives is that each local congregation of every evangelical denomination around the globe will seek to have every member present at its own communion table.

Rev. Harold B. Twining, president of the Fayette County Ministerial Association, said that the observance will be generally held throughout the churches of the association.

In speaking for the association he said: "In this time of continued world tension and conflict, there is greater need than ever before for Christians everywhere to make much of this significant day. A coming together about the Lord's table on the same day will be an expression of unity which all Christians have in Christ and will be a witness of their unbroken fellowship."

World Wide Communion Sunday is being sponsored in the United States by the Federal Council of Churches of Christ in America, through its department of Evangelism. The Department of Relations with Churches Abroad of the Federal Council is sponsoring the observance in other lands. A number of interdenominational and denominational Foreign Mission Boards are interested, and are cooperating in getting out information about World Wide Communion Sunday to all lands that can be reached by the mails and cables.

Past experience in the observance in many churches has been marked by greatly increased congregations and in many cases approaching the high mark of Easter Sunday.

MAN IS FACING SERIOUS CHARGE

Taxi Driver Is Bound Over in Justice's Court

Carroll McKinley, 25, taxi driver, city, was held to the grand jury with bond fixed at \$2,500, Thursday afternoon, after he was taken into custody on charge of attempted criminal assault and entered a plea of innocent in Justice George H. Worrell's Court.

The charge was filed by Mrs. Laura Ferguson, mother of Letha Ferguson, a minor of the age of 16, whom McKinley is alleged to have assaulted with attempt to commit rape, on the night of September 27.

McKinley was arrested by Sheriff W. H. Icenhower and members of the police force. Unable to furnish bond he was placed in the county jail.

Officers were told that the taxi driver had picked up the girl at the Pennington Bakery to take her home shortly before 11 p.m., and had then driven to another place to pick up two women, who he took home.

According to the story told by the girl, McKinley then drove out on the Robinson road where the attempted attack took place. Bruises about her throat were displayed to the officers as having been made during the struggle.

She said the man finally agreed to drive her back to the city and to her home, and did so.

PROGRAM GIVEN BY CHILDREN OF SUNDAY SCHOOL

First Achievement Day Is Held at Church of Christ By Primary Department

Nearly half a hundred youngsters from the "cradle roll" to the third grade of the primary department spoke their pieces and sang their song for an appreciative audience of parents and friends at the first annual Achievement Day program of the Church of Christ on North Street Thursday evening.

The program, in charge of Mrs. Hazel McNorton, superintendent of the department, and the teachers, consisted of:

Golden Text of the Bible. Song—"God Is Love."

Memory Verses—Cradle Roll Classes.

Bible Drill—All children. Song—"Jesus Loves Me."

Lord's Prayer—Second Year Children.

Response—"Into My Heart."

The 23rd Psalm—First Year Children.

Song—"I'll Be a Sunbeam."

The Story of Jesus.

Song—"Tell Me the Story of Jesus"—3rd year girls.

Talk—Rev. R. Byron Carver. Offering.

Benediction.

Rev. Carver complimented the parents of the children for their part in their regular attendance at Sunday School, praised the youngsters for the program they had given and commended the teachers and department superintendent for their untiring efforts to make the first Achievement Day the success that it was. The teachers who received the pastor's acknowledgments were:

Norma Flee, Lois Robinette, Edna Blake, Wilma Weatherly, and Harriet Jenkins.

Following the program, the teachers and superintendent, served punch and cookies in the name of their pupils during the social hour.

The children taking part in the program were:

Margaret Ann, Meriweather, Lavina Weatherly, Sue Haggard, Carol Ann Butters, Jimmie Wichterman, Janice Wichterman, Martha Paul, Shiela Robinette.

Herman Paul, Rene Michael, Mary Jane Davis, Lelah Haggard, Darlene Thomas, Wanda Pollard, Shirley Carter, Bobby Stackhouse, Marjorie Sowders, Gene Van Pelt, Leora Mae Barnes and Carol Kay Ellis.

RAY D. HALL IS KILLED AS AUTO RAMS IN TRAIN

One Freight Car Is Derailed By Force of Impact at 1:10 A. M. Friday

Ray D. Hall, 48, was believed to have been killed instantly when his Packard sedan rammed into a moving freight train at the B. and O. Railroad crossing on South North Street at 1:10 A. M. Friday. Police say that Hall was dead when they arrived on the scene about 10 minutes after the crash.

Hall had been driving south on South North Street when he hit the freight train which was going east. The impact was so great, Police Chief Jesse Ellis said, that one end of the big box car which Hall struck was derailed. The asphalt between the tracks at the crossings was chewed up when the freight car ran along on it.

The upholstery on the back seat of the car was torn loose and thrown against the front seat, Ellis said, and the bottom half of the steering wheel was broken. He added that the windshield was shattered and that the engine and radiator were smashed back into the front seat.

Hall had lived in Washington C. H. for a year and was employed as a master mechanic at Aeronautical Products, Inc. He lived at the corner of Fifth and South North Streets. Before coming here, he had lived in Detroit. He was a member of the Eagles.

Hall is survived by his widow, three daughters, Mildred Lusk, of Royal Oak, Mich.; Mrs. Jane Anderson, of Detroit, and Mrs. Ethel Millard, of Washington D. C.; one brother, Leo Hall, of Ashland, and one sister, Mrs. J. Tabler, of Lima.

The body will remain in Klevor's Funeral Home until funeral arrangements have been completed.

the law by excluding incorporated villages in the three townships. No objections have been filed to petitions for elections on the sale of beer in the villages of Bainbridge and Adelphi, where local option elections will be held November 2.

DRY ISSUES OUT, HUMMEL DECLARES

Three Townships in Ross To Remain Wet

Edward J. Hummel, secretary of state, has ruled that petitions seeking to vote beer out of Concord, Paxton and Colerain townships in Ross County are invalid. The Ross County Board of Elections had previously ruled the petitions were valid.

On Sept. 20 permit holders in the townships filed objections to the board's action, declaring that on the face of the petitions they were invalid in that the documents did not describe the territory in which such elections could legally be held.

The petitions failed to follow
